1 General information beamer

2 Formatting beamer

Themes, fonts, etc. beamer

- I use default pandoc themes.
- This presentation is made with Frankfurt theme and beaver color theme.
- I like professionalfonts font scheme.

Links beamer

- Matrix of beamer themes: https://hartwork.org/beamer-theme-matrix/
- Font themes: http://www.deic.uab.es/~iblanes/beamergallery/indexby_font.html
- Nerd Fonts: https://nerdfonts.com

Text formatting beamer

Normal text. Italic text and bold text. ~~Strike out~~ is supported.
